Name Deepak Soni

Date 20-04-2025

Age 27 Years

Pat Id 16845989

Gender Male

Height 180cms

Weight 72kgs

Diagnosis

Bronchitis

Description

Inflammation of the lining of bronchial tubes, which carry air to and from the lungs. Acute bronchitis, caused by a respiratory infection such as a cold, often improves by itself. Chronic bronchitis, often due to smoking, usually has constant inflammation and may need ongoing medical attention. Symptoms of bronchitis include coughing up thickened mucus and shortness of breath.

Treatments range from soothing remedies and inhalers to antibiotics and steroids.

S.No.	Prescribed Medicines	Dosage	Instructions
